volunteer SPOTLIGHT

Yvette Dempster,
Dow St. Charles
Operations

"I have been very blessed in my life, so I try to give back to those who are less fortunate whenever I can. Whether it's unloading canned goods at our local food pantry, building ramps for the disabled, or helping out at Battle for the Paddle, I'm always looking for ways to give back. Volunteering with United Way of St. Charles is one of the best ways to do that."

HEALTH

some of the ways we touch EACH PART OF ST. CHARLES PARISH

Get Fit United, our health and wellness program launched in 2016, helped **85 participants** lose a total of **924 pounds** in 2017.

In partnership with **Dolly Parton's Imagination Library**, United Way of St. Charles sent **18,000 books** to St. Charles Parish kids in 2017.

42 disabled residents now have easy access to their homes thanks to our volunteers, who built new **wheelchair ramps** in communities across the parish in 2017.

Did you know over **5,000 individuals** participated in United Way of St. Charles campaigns through their employer in 2017?

1,700+ families and **650+ children** struggling with hunger in our parish were fed in 2017 through initiatives including **local food banks, mobile pantries**, and our **School Backpack Program**.

United Way of St. Charles' **Money Matters Financial Stability Program** helped over **80 residents** of St. Charles Parish attain greater financial independence through long-term **case management services** and **financial education**.
