# Hurricane Preparedness Checklist

## **Emergency Kit Ready**

Include water, non-perishable food, flashlight, batteries, and first aid supplies.

## **Important Documents Secured**

Store IDs, insurance papers, and medical records in a waterproof container.

## **Medications Stocked**

Make sure you have at least a 7-day supply of any needed prescriptions.

## **Fuel & Cash on Hand**

Fill up your car's gas tank and get small bills in case of power outages.

## **Phone Chargers & Backup Power**

Charge devices and keep portable chargers ready.

## **Evacuation Plan in Place**

Know your route and where you'll go if an evacuation is needed.

## **Stay Informed**

Sign up for local alerts and follow trusted weather sources.

## **Check on Neighbors**

Especially seniors or those with limited mobility—let's look out for each other!
